

Head Installer

Hortonwood, Telford

InstaLoft is the longest-established and largest loft storage specialist in the UK. Since 2014 we have completed over 72,000 installs, installed over £100m of work, and built the best Trustpilot rating in the industry. We run 8 regional depots across the country, and every single installer is directly employed, never subcontracted, because that is how we keep our install quality the best in the business.

We are growing our installation teams and we are looking for an experienced Head Installer to lead fits to that standard.

Why this is a great job to have:

- Employed, salaried and secure, with guaranteed pay every month and work booked all year round
- Company van, fuel card and all tools supplied. Nothing to buy, nothing to replace
- We provide and pay your Assistant Installer, so you lead a proper team from day one
- 31 days paid annual leave, a company pension, and a clear path to progress

What you will earn with us:

- Base salary of £27,500 to £35,000 depending on experience
- Plus up to £5,000 company bonus
- Overtime available on top
- 31 days annual leave (including bank holidays)
- Company pension, employee discount, referral scheme and uniform
- Company van, fuel card and tools, all provided

What you will do:

- Lead day-to-day loft boarding, ladder, insulation and storage installs in customers' homes
- Work from your local depot across your local region, with no overnight stays
- Mentor and develop your Assistant Installer
- Own quality and health and safety on site, and represent InstaLoft professionally

What we are looking for:

- Proven carpentry, construction or related trade experience
- The ability to lead a two-person team and manage your own day on site
- Strong attention to detail and pride in your work
- Full UK driving licence

Where this goes:

Clear progression from Head Installer and beyond, as we grow. We train, we promote from within, and good fitters are trusted to get on with the job.

If you take pride in your installs and want to earn a steady, secure income without funding a van, fuel, tools, or your own assistant, this is the role.
